

# TEA PARTY OF THE YEAR

## **Mission**

Your task is to get coffee, donuts, and candy, and return with good stories to tell while enjoying our coffee.

## **Means**

You are to design an artefact that assists in transforming your visit to the shop to a grand adventure – a source of titillating tales, fascinating fables and amusing anecdotes. Remember that a great story is almost always fuelled by friction: mishaps, conflicts and dilemmas.

## **Metabolism**

After the tea party we once more put on our designer glasses for some final reflections and discussions. Bring lots of snapshots from your excursion!
